September, 2025

To our Local Business Community:

The 7 Rivers Figure Skating Club is looking for local businesses to partner with its Competition Synchronized Figure Skating Team and the Tomah-Sparta High School Figure Skating Team for the 2025-2026 season. Would you consider partnering with us and supporting these local teams, made up of students from the Tomah & Sparta school districts?

You can do so by sponsoring our team posters, which will be hung up at the Tomah and Sparta ice rinks, published on our social media and website, and placed in locations around the Tomah and Sparta communities. Posters will include sponsor logos so your support of the team is front and center during our 2025-2026 seasons.

2024-2025 was the inaugural season of our Competition Synchronized Figure Skating Team. The team competed in three competitions around the state of Wisconsin last year and will do the same again this season. The team members have to raise funds to cover the cost of costumes, ice time for practice, and competition and travel fees.

The 7 Rivers Tomah-Sparta High School Figure Skating Team started in 2023. With two seasons under their belt now, the team members have learned a lot and gained experience since the inaugural season. Prior to the start of the 2024-2025 season both the Tomah and Sparta School Districts approved figure skating as an official school sport, meaning our skaters can now earn varsity and junior varsity letters. This team also has to raise funds to cover their costs, including costumes, practice ice time, and competition fees, which are around \$600 per team, per competition. This year, the High School Team is taking part in six competitions from November - March.

Examples of the posters we're creating for each team are on the second page of this sponsorship packet. Team photos will be updated to reflect the teams we have for the 2025-2026 season. There are several sponsorship options that you can choose from, and businesses can choose to sponsor one or both teams. Our students work very hard during their skating season and the support of area businesses helps to provide the funds needed to make these opportunities possible.

Thank you for your consideration,

Ellen Fink
Coach
